

## Phosphotyrosine Monoclonal Antibody

**Catalog No.** E-AB-21335

**Note:** Centrifuge before opening to ensure complete recovery of vial contents.

### Description

|                     |                                                      |
|---------------------|------------------------------------------------------|
| <b>Reactivity</b>   | All                                                  |
| <b>Immunogen</b>    | Purified Protein                                     |
| <b>Host</b>         | Mouse                                                |
| <b>Isotype</b>      | IgG                                                  |
| <b>Purification</b> | Protein A purification                               |
| <b>Conjugation</b>  | Unconjugated                                         |
| <b>Buffer</b>       | PBS with 0.02% sodium azide and 50% glycerol pH 7.4. |

### Applications Recommended Dilution

|              |              |
|--------------|--------------|
| <b>WB</b>    | 1:500-1:2000 |
| <b>IHC</b>   | 1:100-1:300  |
| <b>ELISA</b> | 1:40000      |

### Data

Western Blot analysis of 1) Jurkat, 2) 293T, 3) Rat brain, 4) Mouse brain with Phosphotyrosine Monoclonal Antibody at dilution of 1:2000

Immunohistochemistry of paraffin-embedded Human breast carcinoma tissue with Phosphotyrosine Monoclonal Antibody at dilution of 1:200

### Preparation & Storage

**Storage** Store at -20°C. Avoid freeze / thaw cycles.

### For Research Use Only
